University of The Third Age Inc

EARLY DETECTION OF CANCER

**Presenter: Shenae Norris, Regional
Education Officer – South West Cancer
Council Western Australia**

Shenae's talk will focus on raising awareness of the early signs and symptoms of cancer. It will focus on the five common cancers: bowel, lung, prostate, breast and skin. The earlier cancer is found the greater the chance of successful treatment.

Please RSVP by email to:
admin@u3anaturaliste.com.au or by phone
to Joan on 9752 4769 or 0410 667 696
